Sir:

Preliminary to the examination of the above-identified application, Applicant proposes to correct Fig. 1B of the drawings, the proposed correction to Fig. 1B being marked in red. It is submitted that no new matter is involved in the proposed correction. Paragraph 0105 of the specification already contemplates there being a Corporate Wide Area Network 14, local display stations 18, corporate Main Frame Computer 22, and the router 24. Additionally, the Fig. 1B drawing as proposed to be corrected is disclosed in the provisional application on which the above-identified application is based.

Applicant encloses nineteen (19) sheets of formal drawings to be substituted for the informal drawings filed earlier in the above-identified application. These drawings include Fig. 1B with the proposed correction.

Accordingly, approval of the proposed correction and substitution of the formal drawings for the informal drawings are requested.

Respectfully submitted,

Dennis K. Sullivan
